### ROME - WORLD TOP TOURIST DESTINATION

Prepare a 4-day tour of the city for a group of students from a High School in Norwich about your age who would like to visit Rome next May.

Use [www.visitacity.com](http://www.visitacity.com)

Attach to your presentation a Get-ready-for-your-visit KIT in which you include links to nice videos, film trailers, famous songs, books, stories, famous people connected to Rome, useful information..., in order to provide a good introduction to the visit.

You can start your exploration from here:

<https://bbianchienglishlessons.weebly.com/rome.html>

Upload your tour on Classroom and record a 1-min AUDIO presentation on a topic you wish (it can either be an overview of the tour, a presentation of one of the attractions or one of the additional links, a nice story... whatever may be connected to your work and you feel like talking about 😊)

### KARAOKE CHALLENGE

Fill in the file in our common Google Drive and record the song you have been challenged to sing.
