# WHAT IS AN INSURANCE ?

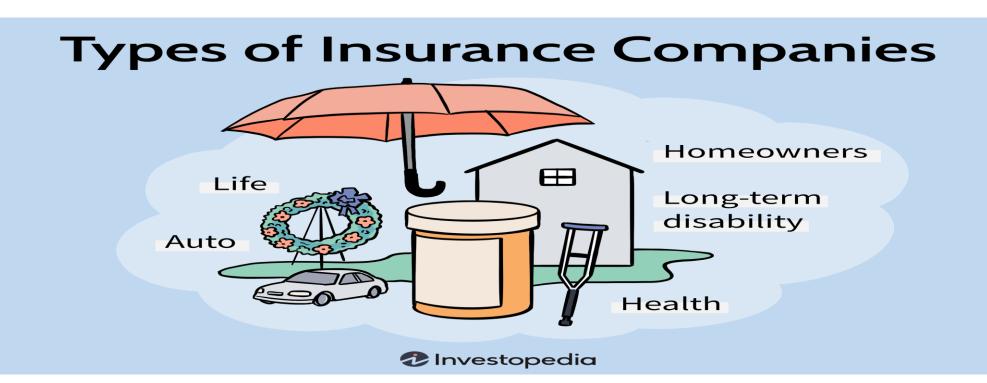

#### INSURANCE IS A WAY TO MANAGE YOUR RISK !

**INSURANCE IS YOUR LIFE PROTECTION !** 

# When you buy insurance, you PURCHASE PROTECTION against any financial losses.

## CONCEPT OF INSURANCE

The **INSURER** will guarantee payment for an uncertain future event

#### The POLICYHOLDER or the INSURED pays a small premium in exchange for that protection

**DON'T FORGET:** the client doesn't buy an insurance but buys you.

## THE PROTAGONISTS OF AN INSURANCE

**POLICYHOLDER**: the person who buys the insurance and pays regular premiums.

**LIFE ASSURED** : the person for whom the insurance is bought. This may or not be the same as the policyholder.

# A TYPICAL DAY

> MORNING : check the agenda and client communication

> MID- MORNING : meet the clients

EARLY AFTERNOON : confirm appointments calculate premiums monitor insurance claims

> **AFTERNOON**: meet the clients

training sessions
