

Prepare a written+oral presentation of an **EATinerary** in an Italian Region/Area.

Choose the tourist attractions and match them with some food and wine experiences.

The length of the tour is up to you. Make your decision according to the destination you have chosen. The best idea is to focus on a **map** and then connect whatever you decide to include.

Here is an example you may check: <u>A 4-DAY TOUR OF TORINO & ITS SURROUNDINGS</u>, but feel free to display your choices is a different way (you can create a poster, a Canva or Prezi presentation, a slideshow, or whatever tool may support your speech).

You will have 3-5 minutes to present your proposal to the rest of the class.

CHECKLIST:
