Summer lovin' had a blast - summer lovin', happened so
I met a girl for me - I met a boy, as can be
Summer days driftin', to uh-oh those summer nights

Tell me more, tell me more, did you get very?
Tell me more, tell me more, like, he have a car?

She swam by me, she a cramp - he by me, got my suit damp
I saved her, she nearly drowned - he showed off, splashing
Summer, something's begun, but uh-oh those summer nights

Tell me more, tell me more, was it love at sight?
Tell me more, tell me more, did put up a fight?

Took her bowlin' in the Arcade - we went strollin', lemonade
We made out under the dock - we stayed until ten o'clock
Summer fling don't mean a, but uh-oh those summer nights

Tell me more, tell me more, but don't gotta brag
Tell me more, tell me more, cause he sounds a drag

He got friendly, holdin' my - well she got friendly, in the sand
He was sweet, just turned eighteen - well she was, you know what I
.....

Summer heat, boy and meet, but uh-oh those summer nights

Tell me more, tell me more, how much dough did he spend?
Tell me more, tell me more, could she get me a?

It turned, that's where it ends - so I told her we'd still be
Then we made our true love vow - wonder what she's doin'
Summer ripped at the seams, but oh, those summer nights

Tell me more, tell me more.
