1st part → Put the lines into the right order

	A	Do you ever wanna run away?
1	B	Do you ever feel like breaking down?
	C	And no one understands you
	D	No you don't know what it's like
	E	Do you lock yourself in your room?
	F	When nothing feels alright
	G	Do you ever feel out of place?
	H	And no one hears you screaming
	I	Like somehow you just don't belong
	J	With the radio on turned up so loud

You don't know what it's like to be like me

	K	To be left out in the dark
	L	When you're down
	M	No you don't know what it's like
	N	To be kicked
	O	When no one's there to save you
	P	To feel like you've been pushed around
	Q	To be on the edge of breaking down
	R	To be hurt To feel lost

Welcome to my life

	S	Do you wanna be somebody else?
	T	Are you sick of everyone around?
	U	Are you sick of being so left out?
	V	With the big fake smiles and stupid lies
	X	Are you stuck inside a world you hate?
	Y	Are you desperate to find something more
	Z	Before your life is over?

But deep inside you're bleeding

2nd part → Fill in the gaps

No you don't know what it's like
When feels alright
You don't know what it's to be like me

To be hurt
To
To be left out in the dark
To be
When you're down
To feel like you've been pushed
To be on the edge of breaking down
When no one's there to you
No you don't know what like
Welcome to my life

No one ever straight to your face
And no one ever you in the back
You might think I'm
But I'm not gonna be okay

Everybody always you what you wanted
You never had to work it was there
You don't know what it's like
What it's like

To be hurt (twice)
Welcome to my life, Welcome to my life
Welcome to my life
