BATH PARADISE HOUSE

An elegant Georgian House, dating back to 1735, built of classic honey coloured Bath stone. The dignified exterior conceals more than half an acre of magnificent walled gardens with splendid views out over the City of Bath. Small and privately owned, our aim is to offer the best personal service with attention to every detail.

Bath Paradise House has delightfully appointed rooms, all are individually styled to provide a mix of traditional elegance and modern comfort. The sumptuously romantic décor of the 4 poster rooms provide the perfect choice for a Special Occasion. All rooms have flat screen televisions with dvd, direct dial telephone, hairdryer, Molton Brown products and hospitality tray. There is wireless connectivity throughout and free internet access in all the hotel premises.

Traditional English or Continental Breakfast is served in the dining room and includes full English, fresh seasonal fruits, smoked salmon with scrambled eggs, a vegetarian option, plus special diets can be catered for. Continental breakfast can be served in your room.

With breathtaking views across the City to the famous Royal Crescent and Bath Abbey, Paradise House will afford you many wonderful memories of Bath, not least the illuminated spire of the Abbey at night, a spectacular sight.
