

# Welcome to My Life

---

Ice-Breaking Speaking Activity

A solid green horizontal bar at the bottom of the slide.

Something about me

My favourite person

My fave quote

Something I really like

My fave outfit

Something you should know about me

What I am  
passionate about

A TV series I  
would watch over  
and over

Something positive I will remember about these past months

The soundtrack of my days:

Something I am very good at

- When I am in good spirits
- When I feel down

My friends will tell you I am...

Something I  
am proud of

# Welcome to my life

My ideal day/week

A place that is home to me

I would like to know /  
I wish I could... /  
I wish I were...

The place where  
I would like to live

The best present you  
could make me

My favourite place at home

A person I admire

My city is famous for

My best summer experience (last summer)

Prepare a presentation,  
or improvise - with or without pictures -  
and  
**record a 1-min speech**
