

Something about me

This is me

Welcome to My Life

Barbara Bianchi
IPS Ravizza Novara
ITALY

This a picture I took a
few years ago in a
very special place.
Can you guess where
I was?

What I am passionate about

Something I really like

The soundtracks of my days

When I feel blue, or emotional

My lockdown song

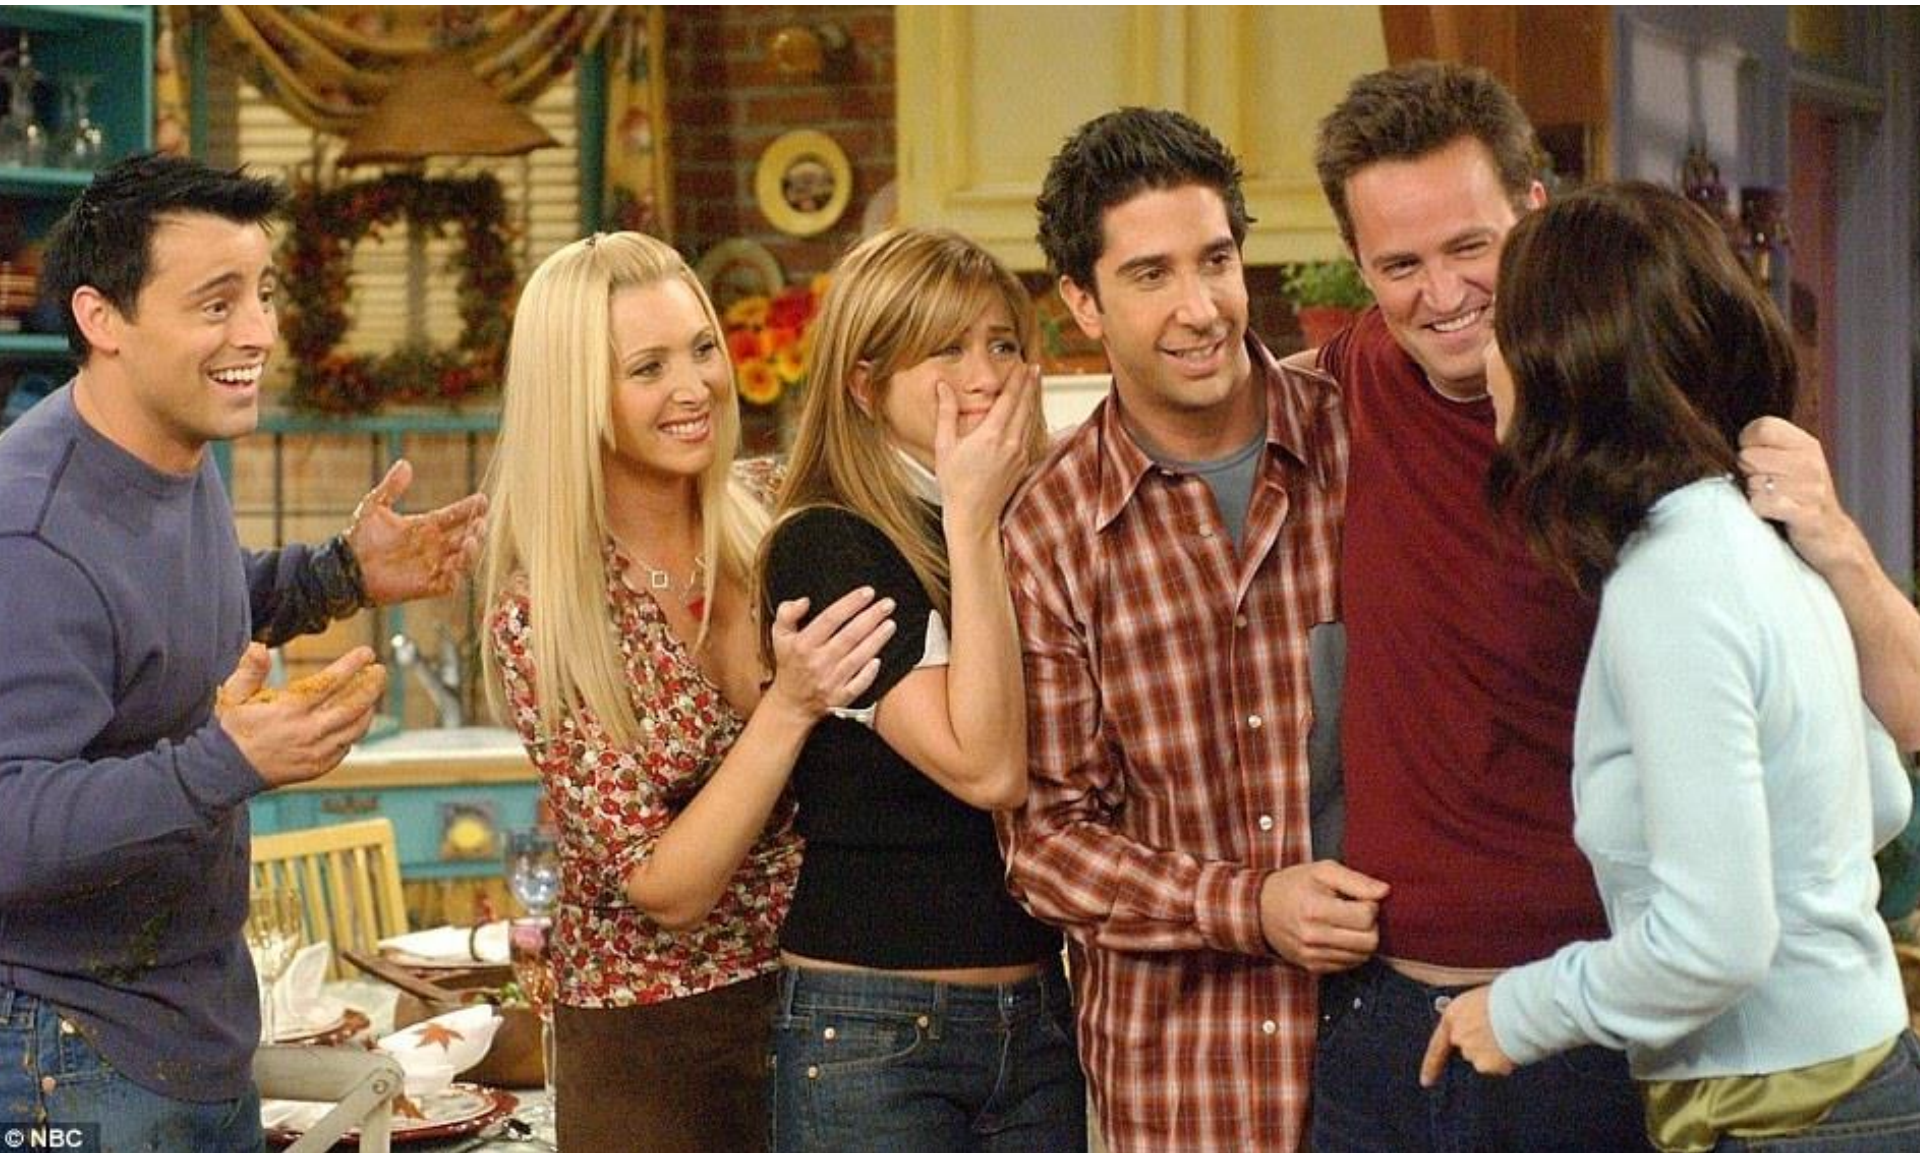

The place where I would like to live, well not exactly in there...

I wish I could... / I wish I were...

A TV series I would watch over and over

A word is

DEAD when it is said

some say

I say it **JUST**

begins to live
that day

Emily Dickinson

Something you should know about me

I have a passion for traveling -
In summer 2021 I did a hiking trail from Bologna to Florence
