DESCRIPTION

INGREDIENTS

This dish, with its delightfully chewy noodles coated in a sweet and savory peanut sauce, is a fan favorite! And the stir fry is loaded with vegetables and tossed with a slightly sweet ginger butter sauce. It's so good!

### Heat it up in the microwave

Pull back the film about 1 inch and heat meal on high for 2 minutes.\* Let it sit for 2 minutes, peel off film, stir, and dig in! And please be careful, the bowl might be hot.

\*Make sure to cook this meal until the internal temperature is 165 degrees to ensure food quality and safety are spot-on. Microwave directions are based on preparation in a 1100-watt microwave; if necessary, continue heating the meal in 30-second intervals until fully heated.
